

## Targus Leather Case for iPod Nano (1<sup>st</sup> and 2<sup>nd</sup> generation). **ORANGE** (TMS011US)

This Targus Leather Case for iPod nano is constructed of **orange premium leather** and includes **soft interior** lining to ensure your nano is protected. A hidden **magnetic** button helps hold the iPod in place and the screen/wheel poly-urethane protector helps prevent scratches and scuffs. The **integrated belt clip** makes it easy to carry the nano and the case flips up so you can easily see the screen and maneuver through the menu options. It is great for use in the gym or on the go and this case has quality accent **stitching** for added strength. In **retail box** (blister pack).
