

2.4 GHz Wireless Microphone

USB, digital, professional design. Retail box (P/N: 981-000138 = 981-000139)

Wireless, digital microphone

You'll enjoy greater freedom and high-quality voice reproduction during gameplay. Why go wireless in gaming?

[Learn more.](#)

Authentic, professional design

It's just like a professional mic so you can get immersed in the moment and feel like a star.

20+ hours battery life

You can perform encore after encore without having to worry about changing batteries.

Works with most music games

It works with most popular music games so you can have more fun, no matter which game is your favorite.*

2.4 GHz wireless

Setup is easy—you just plug the receiver into a USB port and start singing. You get a range of up to 30 feet (10 m).
